Merry Christmas and Happy New Year

Hello Wantoks.

Its the silly season again. How time has flown!!! Hope you are all looking forward to the break the season entails. I know, I am. If you are driving or flying somewhere, pls take care.

The Melbourne PNG community has had a shocking year this year, whereby we've mourned for the untimely passing of two our young people in the community. Rest in Peace Rachael and Willie. Our thoughts are with their families who will miss them the most at this time.

Apart from the sadness, we've

also had good times this year. Wantoks Group thanks everyone who participated in all our fundraisers in 2013. With your help in attending our fundraisers, we have managed to help some of our wantoks who were in need here, as well as in PNG. I would like to make a special mention of all the babies with HIV/Aids in Port Moresby who will be getting S2 Milk and bottles. A great team work with Lucy Loko and Wantoks and all of you who helped.

We would like to extend our best wishes to the students who have completed their studies and have returned

home to PNG or are graduating, esp. The Kagan Tafe students and RMIT students. May your future be bright. Special mention to Katayo Sagata and family, who have just returned to PNG.

We wish you all the best for this season and look forward to seeing you all next year.

Congratulations to Kangan students who graduated today 18-Dec
